Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

THE YALE MANAGEMENT GUIDE FOR PHYSICIANS

John Wiley and Sons Ltd. Hardback. Book Condition: new. BRAND NEW, The Yale Management Guide for Physicians, Stephen Rimar, A real-world education for the twenty-first-century physician Being a good doctor is no longer enough. The twenty-first-century physician who wants to deliver quality medical care to patients and operate a successful practice must develop expertise in a variety of business and management skills. The Yale Management Guide for Physicians identifies these critical skills and provides both the theoretical understanding and the practical training physicians need to become competent, confident managers as well as accomplished healers. From healthcare policy and health economics to healthcare marketing and negotiating, this comprehensive guide addresses all of the major issues affecting the delivery of healthcare services in the twenty-first century. This remarkably effective manual helps doctors acquire the skills they need to expand their practices; develop, articulate, and advocate ideas; discuss and manage financial issues; manage the decision-making process; and assume a leadership role in the healthcare industry. Meticulously cross-referenced and organized, The Yale Management Guide for Physicians is destined to become the most important nonmedical volume in any physician's library, providing easy access to management principles and practical solutions to management problems faced by physicians every day.
